

Salvatore Aprigliano

Founding Attorney

About Me

I am Attorney Salvatore Aprigliano, born in Milan on October 31, 1974. I earned my Law Degree from the University of Milan and founded Aprigliano Law Firm in 2002, among the very first Italian practices to specialize in immigration law and Italian citizenship by descent (jure sanguinis). Backed by over 20 years of experience, we have been honored with multiple awards for our achievements in citizenship-by-descent procedures.

Guiding Philosophy

*“Well, I don't know as I want a lawyer to tell me what I cannot do.
I hire him to tell how to do what I want to do.”
— J.P. Morgan*

This quote reflects my commitment to delivering creative, effective legal solutions that empower clients to fulfill their objectives.
